

# Contec® TuffTask™ Wipes

## Durable. Reliable. Ready for Anything.

When the job demands strength, durability, and efficiency, Contec® TuffTask™ Wipes deliver. Engineered for EVS teams, JanSan professionals, and facility managers, these heavy-duty wipes handle spill cleanup, drying, polishing, and general cleaning with ease.

Constructed from high-performance creped textile, Contec TuffTask Wipes are strong, absorbent, and built to last—reducing waste by eliminating the need for multiple sheets. Their rugged texture enhances cleaning power, while their soft, non-abrasive surface makes them safe for use on a variety of materials.

Features	Benefits
Heavy-Duty Strength	Tough enough for demanding cleaning tasks, won't tear or shred.
Superior Absorbency	Quickly soaks up spills, leaving surfaces dry and streak-free.
Durable & Long-Lasting	Reduces waste by requiring fewer wipes per task.
Creped Textile Construction	Enhances grip and scrubbing power without scratching surfaces.
Convenient Pop-Up Pouch	Keeps wipes easily accessible and protected from contaminants.
Multi-Purpose Use	Ideal for cleaning windows, stainless steel, countertops, and high-touch areas.

Part No.	Description	Size	Packaging
