

Premira®

Microfiber Wipes & Hand Pads

Enhanced physical removal provides the right solution for any job

100% synthetic single-use Premira® Microfiber Wipes and Hand Pads quickly remove dust, debris, fluids, and oils from a variety of surfaces without harming sensitive materials.

Features	
Eliminate cross-contamination risk	
Broad chemical compatibility, unimpeded chemical efficacy	
Consistently better cleaning vs. launderables	
Optimize staff efficiency	
Simplified logistics, lean storage footprint
